DETAILED ACTION

Allowable Subject Matter

1. Claims 19-21, 23-24, and 38 are allowed.

The following is an examiner's statement of reasons for allowance: claims are allowable over the prior art of record since the cited references taken individually or in combination fails to particularly disclose a method for periodically broadcasting levels of detail of stroke data, comprising the steps of determining original stroke data from a whiteboard; for each of a plurality of levels of detail, determining predicted stroke data from the original stroke data, wherein the step of determining predicted stroke data further comprises the steps of for a lowest level of detail, determining segmentation points of the original stroke data and using the segmentation points as the predicted stroke data for the lowest level of detail; and for higher levels of detail, determining feature points determined by using an area-based error' method that uses points in a lower level of detail, wherein the feature points are used as the predicted stroke data; and periodically transmitting the predicted stroke data for each level of detail.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
